25X1A	MEMORANDUM FOR: ATTENTION: SUBJECT:	Deputy Director for Science OSA Comments on the JIII]		
5 V 1 A	1. This office has reviewed the report of the Joint Imagery Interpretation Review Group from the standpoint of its effect on OSA activities. With one exception, as noted below, the report deals exclusively with imagery exploitation which, in itself, is beyond the purview of OSA responsibility. Consequently, we would be reluctant to challenge or even critique the findings of the Review Group.				
5X1A 25X6 25X6 25X1A 25X6 25X6 25X6	2. The exception referred to relates to overseas processing and utilization of TACKLE missions currently are being processed by with first-phase exploitation in most instances performed by the This arrangement has proven to be eminently satisfactory from the standpoint of our relations with and commitments to We trust that whatever agreements may result from on-going discussions of the report no covenant will be entered into which would preclude our continued use of facility with its attendant political and operational advantages.
